Basic Training Classes Set For Scout Leaders

Dates for basic training opportunities for all people working with Cub Scout Packs, and Boy Scout Troops have been set, H. O. Thomas, Milam District Leadership Training Chairman announced this week.

"We have heard many requests for training from our Scoutmasters, Cubmasters, Den Mothers, and Unit Committeemen," Thomas said, "and we hope that all of our leaders will take advantage of these opportunities."

"The Boy Scout leaders' course will be held this weekend, 21-22 of March, starting about 2 p. m. Saturday at Camp Tahuaya, the Heart O' Texas Council's camp south of Belton. We know that many of our people cannot be present for the full course, but we hope that they will attend as much as possible. By putting on the course this way, we get into one week-end what would otherwise take six weeks.

"The Cub Leaders' course for all Cubmasters, Den Mothers and Pack Committeemen will be held in Rockdale at the First Christian church recreation building on four nights, starting Monday, 23 March, and then continuing on Thursday, March 26, Monday, April 6, and Thursday, April 9. All of these sessions will start promptly at 7:30 p. m.

"The Milam District Training Committee has set up these courses in the belief that our Unit Leadership in Cub Scouting, and Boy Scouting wants it," Thomas concluded, "and we hope that the attendance at these course sessions will justify our belief. If it does not, it may be very hard to get training for our people in the future.

The arrangements committee for the affair consists of Dr. George Bowman, L. G. Smith and Jack Prescott.

Members of the ticket committee are Narvie Caperton, Jack Slaughter, Jimmy Wiggs, Ed McGuire and Jack Tumlinson.

Three Appear Before District Judge

On March 16, 1953, the Hon. O. D. Graham heard the criminal cases as follows:

Johnny Leroy McLane found guilty of the crime of forgery and given five years in the state penitentiary. Johnny Leroy McLane alias Johnny Leroy Lawrence also found guilty of passing a forged instrument to J. W. McClenny of Milam County and assessed his punishment at five years in the state penitentiary. Both offenses to run concurrent.

Johnny Leroy McLane, alias Johnny Leroy Lawrence is being held for transfer to several surrounding counties on similar charges before being sent to the state penitentiary to serve his sentence from Milam county.

Clarence Blaylock found guilty of forgery and his punishment assessed at two years in the state penitentiary. Sheriff Carl Black and County Attorney Jim Miller remind merchants of Milam county to be very careful in accepting checks and make sure of the identification of the person passing the check if the person is unknown to the merchant.

Mrs. Hughes, 73, Of Rosebud Dies Sunday Morning

Funeral services for Mrs. Lavonia Hughes, 73, were held Monday at 2 p. m. from the First Methodist church in Rosebud, with the Rev. Donald R. Box of Bryan officiating, assisted by the Rev. D. T. Windham, pastor of the First Methodist church.

Burial in Woodland cemetery in Rosebud.

Mrs. Hughes, a resident of Falls county and Rosebud for 65 years, died at a Rosebud hospital Sunday at 6:50 a. m. after a short illness.

Survivors are one sister, Mrs. Etta Batey of San Angelo; and one brother, Lynn Shelton of Houston; and several nephews and nieces.

Mrs. Hughes was born in Milam county near Cameron March 12, 1879, and moved to Falls county as a young girl.

Her husband, Ollie C. Hughes, was a well-known ginner in Falls county and died several years ago.

Shack T. Shafer is a patient at McCloskey Hospital, Temple. His friends will be glad to know that he is resting well. Mrs. Shafer accompanied her husband to the hospital Wednesday.

School District Voters Put OK On \$390,000 Bond, Tax Hike

Three Days Given TB X-ray Mobile Unit Here; Clubs Pledge Support

Citizens of Cameron and vicinity that are 15 years of age and older will begin their march to the free TB X-ray Mobile Unit on March 19, 20 and 21 to be located in the Hefley-Stedman Motor Company, H. H. Pruett, county chairman said today.

Pruett said that local sponsors of the program are working overtime to make it as convenient as possible on the person being X-rayed. Clubs and organizations are pledging support on the program and there will be adequate clerks to make possible orderly X-rays. It should not take over several minutes to have the X-ray made.

Pruett has reminded the public that they are absolutely free and even though a person may have had an X-ray made last year, or during the past several years, one this year is necessary for the program to be effective.

A goal of 7,000 to be X-rayed in Milam county has been set and

if the goal is reached, Cameron will have to exceed the 2,553 X-rayed in 1952. There were 2,834 X-rayed in Cameron in 1950 with 140 tubercular cases discovered, 2,995 X-rayed in 1951 with 51 tubercular cases.

The Three Arts Club, Beta Sigma Phi, Pleasure and Profit Club, Delphian Club, Civic Garden Club and St. Rita's Circle will provide clerical helpers for the survey. They will have six ladies on duty at all times from 8:30 a. m. to 5:30 p. m. during the X-ray period.

The Business and Professional Women's Club will assist by telephoning citizens to remind them of the X-rays.

School Children May Lose U. S. Food Help

Austin.—School children may have to get by on sandwiches.

The U. S. Department of Agriculture will not send any more surplus foodstuffs to Texas, Governor Shivers said Thursday, unless the Legislature sets up an agency to deal formally with the federal government for their shipment.

The surplus foodstuffs have been important in the public school lunch program and similar aid given state institutions, Shivers explained.

A bill before the Legislature by Representative Reeves of Matador would set up a commodity distributing division in the State Department of Public Welfare to deal with the Department of Agriculture.

Cameron Independent School District voters flocked to the polls Saturday to pass in favor of a tax increase and \$390,000 bond issue. The count reads as follows:

Tax Increase		
	For	Against
Cameron	579	384
Elm Ridge	12	35
Walker's Creek	10	21
Total	601	440
Bond Issue		
	For	Against
Cameron	561	397
Elm Ridge	11	36
Walker's Creek	8	22
Total	580	455

When questioned on how and when the money voted will be spent, the president of the school board stated that it was his opinion that a thorough study would be made of the market, and that it was possible for the school board to wait up to six months in order to get cheaper building costs. It was pointed out that a building program would take up to a year to complete, so that if new classroom facilities were started right now, the children would have the use of them only two months next year, so a few months of waiting will make little difference. Remodeling and repair of present facilities are slated to come first.

Scouts Invited To Visit Fort Hood As Guests Of 1st Armored Division

All Scoutmasters and Explorer Advisors in the Milam District, Heart O' Texas Council, have received notice of an invitation extended to them by Major General Bruce C. Clarke for them to visit Fort Hood with the members of their Troops and Posts, as the guests of the First Armored Division, on the weekend of April 10, 11 and 12, Gene F. Blake, Milam District chairman announced this week.

Plans for this weekend at Fort Hood on Friday afternoon, and return home on Sunday following regular religious services held in the base chapels for boys of all different religious faiths.

Included in the program for the weekend are weapons demonstrations, tank demonstrations, carbine range, and camping on the Fort Hood reservation following instruction in the use of compass and topographical maps.

Troops and Posts participating must forward their reservations to the Heart O' Texas Council office before 31 March with a 25 cent fee for each Scout or Explorer and Leader who expects to attend. Each Unit will be under its own adult leadership during the whole weekend, and will provide its own tentage and bedding. A fee of \$2.25 per person will be charged to cover cost of linens used on Friday night in barracks at the Fort, and for the six meals to be provided by the Army.

Korean Fighter Gets Promotion While Serving With Infantry

Henry Skala, son of Mr. and Mrs. Frank Skala, Route 3, Rosebud, recently was promoted to Pfc while serving with the 25th Infantry Division in Korea.

His outfit has been in Korea longer than any other American Division. It entered the fighting in July, 1950, shortly after the Communist attack on South Korea.

World War II veterans will remember this same division drove across Central Luzon of the Philippine Islands in early 1945 and destroyed most of the Japanese army or there.

Skala, in Korea since October, is a rifleman with regimental headquarters of the Division's 35th Infantry Regiment.

Graduating from Yoe High School in 1948, he entered the army in February, 1952 and received his basic training at Fort Knox, Ky. He was formerly stationed at Fort Hood.

FHA Girls To Give Fashion Show Friday

The "Cindy Wrethow Fashion Fantasy" is scheduled to get underway at 8 P. M. March 29, according to Bill McIntosh, owner of McIntosh's Dept. Store.

The show will be staged by the Yoe High FHA girls in the High School auditorium.

Gen-Tex Water Conservation Ass'n. Meets In District Court March 24

The Central Texas Water Conservation Association will meet in the district courtroom of the Milam county courthouse Tuesday, March 24, 1953 at 7:30 p. m. Judd Davis said this week.

The local association is organized for the purpose of cooperating with the Central Water Conservation Association recently organized in Waco, Texas. The Central Texas Association is composed of 13 counties in this immediate area. Milam county being one of the 13, for the purpose of promoting the conservation of and utilization of water dedicated to (1) maximum economical impoundment of flood waters, (2) complete utilization of all water (3) protection of all riparian rights and the rights of capture as it applies to underground waters and the protection of all present and future users of both surface and underground water.

This will be the second meeting

of the local County Water Conservation Association; the first meeting was held Tuesday, March 3, at which time the organization elected officers for Milam county to serve.

Davis said that any person in Milam county interested in water conservation is invited to attend the meeting. They are requested to be present and to bring their neighbors.

THREE CAMERON BUSINESS MEN were honored by Falstaff Brewing Corp., in ceremonies at the Driskill Hotel in Austin Sunday (March 15). Jack DuBois, sales manager, left, Dana Kestenbaum and Sam Kestenbaum, co-owners of the Cameron Fruit and Grocery Company, received a certificate of merit from Karl K. Vollmer, right, St. Louis, Falstaff vice-president and director of marketing. James S. Mackin, sales manager of Falstaff's southwestern division, offers his congratulations. The certificate was presented as "enduring evidence of the firm's appreciation for the outstanding contribution to Falstaff's success and growth through 15 years or more as a Falstaff distributor." These men were among 500 distributors and representatives from the company's southwestern division attending a two-day annual divisional sales meeting. The division comprises Texas, New Mexico and Arizona.

LITTLE RIVER PHILOSOPHER AGHAST AT IDEA HE SHOULD EARN LIVING IN THE SWEAT OF HIS BROW

EDITOR'S NOTE: The Little River Philosopher on his Johnson grass farm in Marlow is talking about something he probably doesn't have any personal knowledge of this week.

Dear editor:

I was stretched out in the sun out here the other afternoon reading a newspaper when I ran across an item that made me sit up so fast I bumped my head on a law-hangin limb.

According to this item, an official in the Agriculture Department in Washington, struggling with the fall in cattle and farm prices generally, said there isn't too much to worry about yet, that the country is fundamentally sound and prosperity is still around and wages are high, and I guess he's right, but what brought me up was his next statement.

He went on to say that man is gonna have to forget about earnin his livin in the sweat of his brow, and while most farmers I know have never given up that method, I personally was hopin some other method would be found.

Earnin your livin in the sweat of your brow is an honorable pastime, but looks like he could have thrown in the suggestion it would be all right also to have more umbrellas on tractors. Looks to me like if a farmer can earn his livin in the shade of a tractor umbrella, it ought to suit Washington just as much as the sweat of the brow. At any rate, we don't have to go bareheaded, do we? And I reckon it'll be all right to plow on a cloudy day, won't it?

Now just the mere fact that some parts of farmin require a lot of hard work never did increase the honor of the job, so far as I'm concerned. Any man who can figure out a way to take some of the hard work out of farmin, he's the man I tip my hat to, provided I'm in the shade at the time. I guess more farmers earned their livin in the sweat of their brows when we had walkin plows and mules than they do now ridin rubber-tired tractors with hydraulic lifts, but I just don't believe the country ever would have gotten fed without the increased production those tractors brought on, regardless of the condition of the farmers brow.

Brow-moppin no doubt is an honorable gesture brought on by an honorable expenditure of energy, but any time anybody comes out with an air-conditioned tractor on easy credit terms, you'll find me on the waitin list.

I could go on, but a man can work up a sweat writin the same as he can plowin and I hope Washington takes notice while I mop my brow.

Your faithfully,
J. A.

W. C. Kohring of Route 2, visited in Cameron Wednesday.

Cotton Crop Looking Up This Year; Insect Control Advised

Present indications are that cotton will be planted on the most productive farm land this year. Farmers will plant their best acres to cotton because they are confident that cotton will return them more per acre than any other crop they can grow on an extensive scale.

Cotton is the principal cash crop grown in Texas; and gave farmers an average annual income of \$829,199,300 for the 3-year period 1949-1951. It is conservatively estimated that an additional eighty-five million dollars annual income would have resulted had it not been for insect damage.

Cotton insects can be profitably controlled. In fact, wise and proper use of insecticides and recommended cultural practices is essential for profitable cotton production. A good cotton crop will place farmers in much better financial condition and will make business hum next fall.

Milky Way Gold Star Winners

CHICAGO, Ill. — David and Ricky Nelson, sons of Ozzie and Harriet, and featured on their family radio and TV programs over the American Broadcasting Company Network, as well as in the movie, "Here Come the Nelsons," took top honors in the recently completed national Milky Way Gold Star awards poll to find the top child entertainers of the year, it was announced today by the Mars Candy Company, conductors of the survey.

The Nelson boys finished ahead of such runners-up as (top row, left to right) Molly Bee and Sugar Chile Robinson, both of Capitol Records; David and Ricky Nelson; and Gigi Perreau of Universal-International Pictures; (middle row) Iris Mann of the Broadway theatrical hit, "Children's Hour"; The Bell Sisters,

RCA Victor Records; and Jimmy Boyd, Columbia Records; (bottom row) George Winslow, Twentieth Century-Fox; Brandon De Wilde, Columbia Pictures; Bobby Driscoll, Columbia Pictures, and Joey Walsh, Goldwyn Productions.

More than 5,000 people in the entertainment field were canvassed for their votes to decide on the winners. These included leading movie, drama, radio and TV editors, columnists, disc jockeys and members of the entertainment profession throughout the country.

The winners will receive their large Milky Way Gold Star awards on various radio and TV programs during the next few weeks. The poll was sponsored by Milky Way Candy Bars, a product of Mars, Inc., of Chicago, Illinois.

Livestock Commission Sells 392 Head Sat.

Cameron's Milam County Livestock Commission Company ran 392 head of cattle through its ring Saturday, according to Finley Blackwell, manager. Fat cattle sold about \$1 per hundred higher than last week, with the top calves bringing \$22.50. Top yearlings brought about \$21.50. One dry cow sold for \$16.50, while the average run of dry cows went for about 13c on the good kind and about 8c to 9c on the shelly kind. Cows and calves brought about \$140 for the average kind but some sold as high as \$165. However, there were no real good cows and calves to be sold. Bulls were quotable up to 18c, but all of those passing

through the ring Saturday were of lower grade. The best bull here brought \$17.10.

Stocker calves sold good. Some brought up to 23c while the low grade kind brought about 16c to 18c, and they sold good.

Blackwell stated that he knew of about 150 more head of cattle that would have come in had it not rained.

"PEACE"

For unto us a Child is born, unto us a Son is given; and the Government shall be upon His shoulder; and His name shall be called Wonderful, Counsellor, The Mighty God, The Everlasting Father, The Prince of Peace. Of the increase of His government and peace there shall be no end, upon the throne of David and upon His kingdom, to order it, and to establish it with judgment and with justice from henceforth forever and ever. The zeal of the Lord of Hosts will perform this. Isa. 9:6,7.

In this hour there is a cry in the hearts of the people for peace. There is hope in the hearts of some that since Stalin has died, that the world will be able to have peace, but peace is not to be had by Council Meetings and agreements signed on paper but there is a condition to be met to obtain Peace. Peter tells us in Acts 10:34-36: Then Peter opened His mouth, and said, of a truth I perceive that God is not respecter of Persons but in every nation: He that feareth Him, and worketh righteousness is accepted with Him. The word of God sent unto the Children of Israel, Preaching Peace by Jesus Christ: He is Lord of All.

So without Christ is the hearts and lives of the men who make up the Nations, there is no real lasting Peace. Jesus told His disciples about many things that would come upon the World, because of the unbelief, and ungodliness in the hearts and lives of many. Jesus said: These things I have spoken unto you, that in Me ye might have peace. In the World, ye shall have tribulation: but be of good cheer: I have overcome the world. St. John 16:33.

Then it behooves us to place our faith in Christ, not in the death of Stalin. Christ died for us, therefore being justified by faith, we have peace with God through our Lord Jesus Christ. Rom. 5:1. So then, whether we are able or not to obtain the outward Peace with the Nations, we can have Perfect Peace which is an inward state with God.

So we as a Nation and a People certainly should put our Faith and hope in the Savior that was faithful unto the death of the Cross. For He is our Peace, Eph. 2:14: In

whom we have redemption through His Blood, even the forgiveness of Sins: and having made Peace through the Blood of His Cross, by Him to reconcile all things unto Himself; by Him, I say, whether they be things in earth, or things in Heaven. Col. 1:14-20.

Three Arts Club Hear Rosebud Speaker At Meeting Thursday

The Three Arts Club met Thursday afternoon at 3:00 at the home of Mrs. A. W. McCullin. Seventeen members were present and guests were: Mrs. Leland Green Jr., Mrs. Mark C. Magers, Mrs. John Henderson, the speaker for the afternoon, Ralph Kilgore and Mrs. Kilgore.

A brief business session was conducted by the president, Mrs. John Davis. Mrs. James McKeown was program chairman and introduced the guest speaker, Ralph Kilgore, publisher of The Rosebud News. He presented a most interesting talk on his experiences last year when he was one of 25 newspapermen invited to participate in the Naval Operation "Main Base." This was the largest peacetime naval operation in history. The fleet sailed from Norfolk, Va., in September, 1952, and visited Scotland, England, France and Norway. They were gone for a total of 51 days. Kilgore painted many vivid pictures of life in the countries visited.

Lovely arrangements of spring flowers were used throughout the party rooms. In the reception hall was an arrangement of forsythia and yellow Banksia roses. Iris was used in the living room. The serving table was covered with a pink cloth and centered with an arrangement of purple iris. Pink candles were used on the table. Mrs. Magers poured the tea and coffee and iced angel food cake squares were served by Mrs. Green. Finger sandwiches, pickles, olives, and nuts completed the refreshments. The buffet was graced by an arrangement of rosebuds in a silver vase.

Yarrelton Man Is Married To Abilene Girl February 28

Miss Marie Wallace and Bobby Russell, son of Mr. and Mrs. C. E. Russell of Yarrelton, were united in marriage in a double ring ceremony Feb. 28 at the home of the bride's parents, Mr. and Mrs. E. C. Wallace at Abilene. White stocks, fern, and carnations were used to form an altar before which the ceremony was performed by Rev. Randley. Friends of both families were present.

Miss Peggy Brown was maid of honor and R. M. Yancy was the best man.

The beautiful wedding cake was served from a table covered with an imported cut work linen cloth. A center piece of White stock and ferns on a reflector was used. The napkins carried the names "Bob and Marie." After the cake was cut by the bride and groom Mrs. Kenneth Hanley assisted Mrs. E. C. Wallace in serving. Miss Marvenia Hester presided at the punch bowl. Pictures were made of the bridal party.

Mrs. Russell is the daughter of Mr. and Mrs. E. C. Wallace of Abilene. She attended Abilene High School and Hardin-Simmons University, and is now employed with the West Texas Utility Co. in Abilene.

After a few days visit with relatives in Corpus Christi the couple will be at home at 2818 Russell Ave. in Abilene. Mr. Russell has received his draft notice and will be in Cameron March 24 to leave with a group of men for Dallas for his physical examination for the army.

Mother's Tea Planned By St. Anthony Scouts

The Girl Scouts of St. Anthony's school had a meeting Tuesday afternoon, March 10. At this meeting those girls who did not have their tenderfoot requirements passed their tests and are expecting to receive badges next week. At this meeting the Girl Scouts decided to have a mid-afternoon tea for their mothers on March 17, St. Patrick's Day.

Mr. and Mrs. D. G. Humble spent the weekend in Houston.

Bride-Elect Honored With Shower At Ben Arnold Church

Miss Mildred Matyastik, bride-elect of William Lee Bailey, was honored with a bridal shower Tuesday night, March 2, in the parlor of the United E&R Church at Ben Arnold. Mesdames Herbert Redd-hase, O. S. Collins, Ed Lierman and Dennis Klein were co-hostesses.

Eighty-seven guests were registered in the bride's book by Miss Viola Wied. A beautiful color scheme of the bride's chosen colors, orchid, green, pink and blue, was carried out in the party. Potted plants were also added to the attractive decorations.

Mrs. O. S. Collins and Mrs. Lierman directed the games with Barbara Aigner, Mrs. Alfred Kohring, Barbara Juergens and Mrs. Guy Pimpler juergens and prizes. They all presented the winning prizes to the honoree.

Assisting Miss Matyastik in opening her gifts were Misses Viola Wied, Bobby Barin and Barbara Aigner, while Mrs. Johnny Meyer of Temple listed the gifts in the bride's book. The bride's chosen china, silver and crystal and miscellaneous gifts were opened and the bride-to-be thanked each one in her charming manner.

Refreshments of chicken salad, Ritz crackers, pickles, cookies and coffee were served. Plate favors were scrolls tied with the bride's colors relating the message "Bill and Mildred—March 22, 1953 at 8:00 p. m."

Miss Matyastik teaches at the Lanier Elementary School in Temple. She is a graduate of Mary Hardin-Baylor at Belton, Texas.

All Saints Rectory Moved To Green Addition; Parish Hall To Be Built

Remodeling, moving and building operations got under way this week for the All Saints Episcopal Church.

The Rectory, which had been in its present location since 1907, was moved to a lot in Green Addition purchased from Mrs. Ed Taylor. The new lot is on the corner of 27th and North Harding.

At the old location next to the church, construction is due to start at once on a new church school building. The new building will have three Sunday school rooms, a bath, a kitchen, storage facilities and a large Parish Hall. It will be built in the shape of an "L" and, along with the church, will form a "U" with a court facing the street.

Contractor for the building job is Stanley Hughes. Moving contractor was Robert Curry of Milano.

The estimated cost of the new building has been set at \$7,500, and for moving and renovating the Rectory at \$3,500.

Hoyle HD Club Meets In West Home Tuesday

Mrs. Dick Harris was hostess to the Hoyle Demonstration Club Tuesday afternoon at the home of Mrs. I. N. West.

The rooms were decorated with lovely spring flowers. Ten members answered roll call to the name of their favorite flower.

Mrs. Alice Hughes, Milam county home demonstration agent, gave an interesting demonstration on making drop doughnuts and hot muffins.

Recreation was led by Mrs. Hugh Wimberly.

A new member, Mrs. Frank Moraw, joined the club.

The hostess, assisted by Mrs. West, served a salad plate with cookies and hot tea to members and three guests, Mrs. Verna Miller, Ray Robinson and R. O. Henley.

Next meeting will be held with Mrs. John McClaren April 7.

Special Services At First Presbyterian March 22 Through 27

Dr. L. L. McCutchin, pastor of the Westminster Presbyterian Church, Fort Worth, will be in Cameron for a series of services at the First Presbyterian church beginning Sunday at 11 a. m. He will preach at both services Sunday, March 22, also each evening at 7:30 through Friday night.

A cordial invitation is extended to all the people of Cameron to come and visit and hear Dr. McCutchin March 22 through 27.

Saturday Tea Honors Miss Modene Wheeler

Honored at a Saturday afternoon tea-shower was Miss Modene Wheeler, bride-elect of Mildard Fincher of Lott. The shower was held in the hostess' home, Mrs. Ed Hause from 4 until 7 p. m.

Punch, mints, salted nuts and cake squares were served from a lace covered table decorated with a white bridal wreath trimmed in pink. The bride's colors of white and pink were carried out throughout the house.

Mrs. Elmer Williams and Dorene Webber of Buckholts served.

In the receiving line were: Mrs. Ed Hause, Mrs. LeRoy Wheeler, mother of the bride, and Mrs. W. O. Fincher, mother of the groom.

Mrs. W. R. Miller presided at the bride's book. There were 45 registrants.

The wedding is set for March 28 in the home of the bride.

The Community Choir To Present Easter Cantata Sunday, March 29

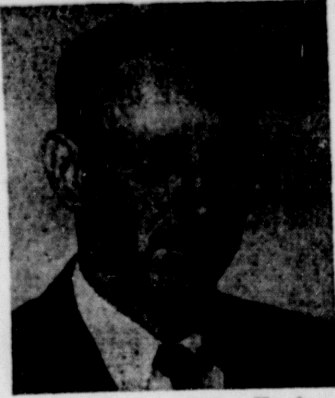

The Community Choir under the direction of Mrs. Joe S. Hickman will present the Easter Cantata, "The Easter Sunrise Song," by Holton, on Sunday, March 29, 1953, at five o'clock in the afternoon, at First Methodist Church.

The Community Choir was organized in 1947 by a group of interested people of the city and many of the original singers are a part of the choir today. In former years the Cantata has been broadcast over KTEM, but this year the program will not be broadcast. However, a large crowd is expected to attend, since people over the entire county and surrounding territory take a great interest in Easter and Christmas music.

The choir has spent much time in rehearsals during the past weeks in preparation for the program.

Leo Fuchs Honored By Poultry Association

It has been announced that Leo Fuchs, owner of the Ideal Hatchery and Poultry Farm has been selected as one of the two top poultry men in Texas by the A&M

Poultry Science Club. Fuchs was a unanimous choice out of some 40 candidates.

The club is sponsor of the annual Texas Chick, Poultry and Egg Show. At their show this year, which will be held May 9, Fuchs will be presented with a certificate of lifetime membership of the National Poultry Science Club.

Anniversary Party Honors 2 Employees Of Telephone Company

A fifth year anniversary party honoring Mrs. Mildred Richter and Mrs. Mable McGoldrick was held March 9.

Mesdames Richter and McGoldrick were given the party, which marked their fifth year with Southwestern Bell Telephone Co. The party was held in the lounge of the local exchange. Each received a five year service pin and flowers from Mrs. Eula Crook, evening Chief Operator, on behalf of the company. A gift certificate was also presented to the honorees from fellow employees.

Refreshments consisting of sandwiches, pickles, potato chips and punch was enjoyed by the group.

Out of town guests attending the party were: J. S. Dickerson, district traffic superintendent of Austin; T. W. Monroe Jr., assistant traffic superintendent of Austin; Mrs. Buchar, commercial instructor of Austin and Harley Depew, plant department, Austin.

Missionaries To Be Here For Program At Methodist Church

Two young ladies with the division of home missions of the National Council of the Churches in Christ, will bring a talk and slides on migrant work being done in Texas under joint sponsorship of the Texas Council of Church Women and the National Council, to the church women of Cameron in the fellowship hall of First Methodist Church Monday, March 23 at 2 p. m. The missionaries are on a 3,000 mile speaking tour through the state, traveling in a mobile unit called the "Harvester" which carries a portable organ, movie and slide projectors, a folding altar, Bibles, hymnals, athletic equipment and other materials used in bringing religious, educational and recreational programs to migrant people.

The Cameron Council of Church Women is inviting the church women of the city and nearby areas to hear Miss Charlotte Collins of Fort Worth, who has served agricultural migrants in the Rio Grande Valley and West Texas through her work with the division of Home Missions, and Miss Ethel Malonado, a native of

Guatemala, Central America, who is a graduate of the Baptist Missionary Training School in Chicago, who has recently been working in a mission project in Crystal City.

Since March of 1952 the "Harvester" has traveled more than 34,000 miles to serve migratory laborers in Texas, Illinois and Ohio.

The hour for the program here was set at 2 o'clock in order that regular Monday afternoon study courses in the various churches might be held afterward. There will be no charge for the program.

Milam County Farmers Sign Contracts For Castor Bean Program For 1953

Milam county farmers in the sandy land areas are showing greater interest in the Castor Bean program than was anticipated.

Tuesday, March 17, the Milam County PMA started issuing seed to farmers who wanted to enter into a contract with the Commodity Credit Corporation to produce castor beans this year. To date 55 farmers have signed contracts totaling 650 acres, and more are expected to sign up.

This contract guarantees the producer 8¢ per lb. or the market price whichever is the higher. The farmer in return agrees to sell these beans to the corporation.

Several adjoining counties planted Castor Beans last year, and were pleased with the results, even the drought cut production.

The beans should be planted on sandy type soil, using approximately 10 pounds of seed per acre. The plants should be placed 18 to 24 inches apart in regular width rows. The method of cultivation is very much like cotton, but due to rapid growth does not require as many cultivations. If fertilizer is used, the same type used on cotton in the sandy areas are recommended.

These beans are being bought and stock piled for military uses. Any farmer desiring seed should contact the Milam County PMA office immediately.

There is a processing plant at Giddings, Texas, where the beans are hulled.

High School Seniors To Visit Campus At S. W. University

Two hundred high school seniors will visit the campus of Southwestern University March 20-22 for "Weekend at College" activities.

Included in the three-day round of events will be interviews with professors, classroom demonstrations, repertoire classes in the School of Fine Arts, art exhibits, open house at dormitories and fra-

ternity houses, and a series of programs.

Mask and Wig Players will present Stephen Vincent Benet's famous play, "The Devil and Daniel Webster," the opera workshop will give "Down in the Valley," a folk opera, and the Southwestern University Band is planning a variety show. Another musical program will be "Requiem" by Faure, to be sung by the school's widely-travelled A Cappella Choir.

The high school students attending "Weekend at College" are hand-picked. They will be housed at the dormitories while they are in Georgetown, and during their stay will participate in many phases of college life.

Twenty-Four Schools Will Take Part In Annual Relays In Cameron Mar. 21

The eighteenth annual Cameron relays will be held in Cameron Saturday, March 21. Preliminaries will begin at 10:30 a. m. and the finals will be run at 7:30 p. m. that night under the lights at the stadium.

Trophies will be awarded to the winning team and the high point man. The winning mile relay will receive a plaque, and gold, silver and bronze medals will be awarded the first, second and third winner in each individual contest.

There are twenty-four schools listed to attend the meet. They are: Rosebud, Bastrop, Waco State Home, Granger, Hearne, New Braunfels, Austin High, Calvert, Thorndale, Rockdale, Taylor, Waco High, La Vega, A&M Consoli-

dated, Temple, Bryan, Groesbeck, Waco Tech High, Gatesville, Georgetown, Elgin, Caldwell, Chilton and Yoe High.

Setting a new trend of European styling in American production automobiles, the 1953 Studebaker Champion hardtop reflects the Continental influence by its low silhouette and graceful contours. The car is only 56 5/16 inches high, and has an overall length of 201 15/16 inches. Power steering, now available at extra cost in the Commander series, will be offered in the popular Champion line later in the year.

New 1953 Studebaker Showing In Cameron At Michalka Motors

The new 1953 Studebaker is now on display in the show rooms at Michalka Motors, local dealers. The public has an invitation to see the new car.

For the second time since World War II the Studebaker Corporation has unveiled a line of passenger cars that promises to set the pace in future design for the automobile industry, Mr. Michalka said.

The new models—Studebaker's 1953 Centennial line—are as exciting as were the style leaders which the company introduced in 1946 when it led the industry in producing a brand new post-war car. With their Continental sweep and contours they may well become ranked among the most distinctive cars ever built by an American manufacturer.

Complementing the exciting styling changes will be the availability of mechanical power steering for the Commander series, the first time this type of power steering has been adapted for passenger car use. Power steering for the popular Champion will be offered later in the year.

Mr. Michalka says of the new line: "We believe we have again taken the lead in stimulating a new style trend. The advance is as definite as was that of 1946, if not more so. And again, in our opinion, the new styling is destined to play the pace-setting role for the reason that it fulfills the American automobile owner's ideas as to what the 'new look' in motor cars should be."

The hardtop convertible and 5-passenger coupe, with their dashing lines, are lower in overall height than any other standard American-built automobile. They are a mere 56-5-16" high—less than five feet.

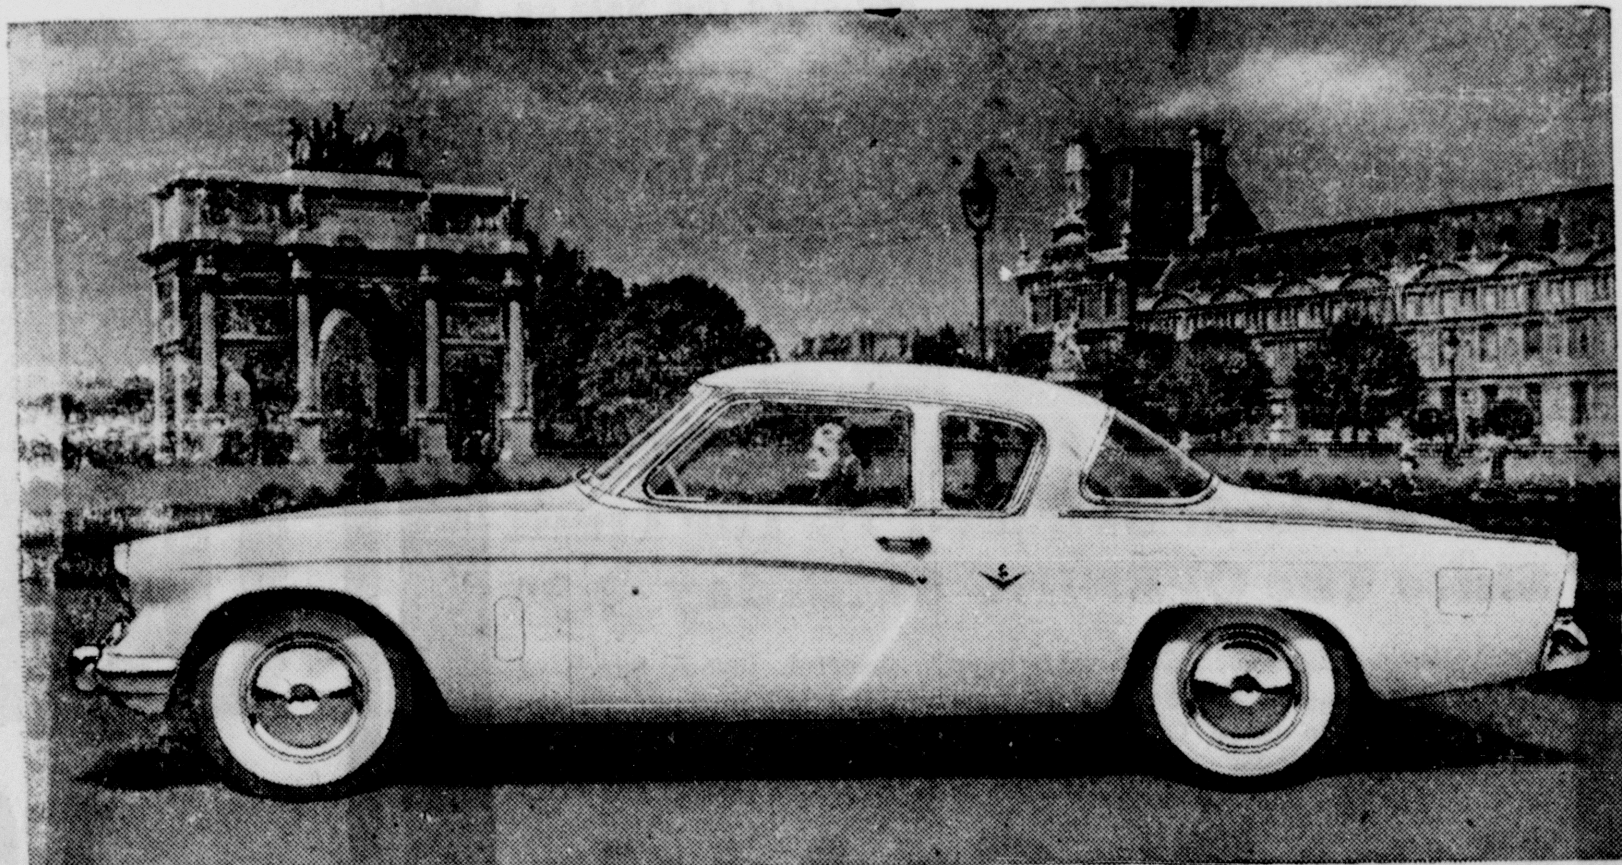

In both exterior styling and interior design the 1953 Studebakers are audaciously different. Quickly catching the eye are the "cleanliness" of the styling; the use of basic horizontal lines to achieve impressive new contours; the concave design motif along the sides which flows back from the forward tip of the front fenders and culminates in a back angle "rake"; the low, sweeping lines of hoods and trunk lids; the fin-type rear fenders; the unusually low silhouette of the entire car, particularly of the hardtop convertibles and coupes.

Wind noise has been practically eliminated by the overall design of the cars and the new styling of window vents.

Presenting the New 1953 Studebaker *The new American car with the European look!*

It's almost unbelievably low! It's impressively long and wide!
It has the sleek-lined smartness of a costly foreign car
and it's right down to earth in price!

It's less than five feet high!
1953 Studebaker Starliner hard-top convertible!
Truly a new flight into the future!

The completely new, sensationally different 1953 Studebaker unquestionably is the most daring step forward of our times in automobile design.

Here, first by far in an American car, is the continental charm of Europe's most distinguished cars—an impressively long new Studebaker that is so very low most people can see over its top!

Come in and find out about the exciting new 1953 Studebaker—dramatic in verve and flair—breath-taking in beauty inside as well as outside. Find out how down to earth in price it really is.

A brand new type of Power Steering

A Studebaker exclusive—available in Commander V-8 at moderate extra cost

Huge new expanses of safety glass all around

All models—Champions and Commander V-8s—have one-piece rear windows as well as windshields

A new and safer low center of gravity

Major Hamilton Tours Pacific; Holds Medals For Active Service

Newly assigned as assistant to
Director of Civilian Personnel, Hq.
Japan Air Defense Force, Major
Norris W. Hamilton, Austin, now
enters on his second tour of duty
in the Pacific. During 1944 and
1945 he served 16 months in the
Southwest Pacific.

Prior to his current assignment
in Japan Major Hamilton was en-
rolled in the Field Officers Course
of Air Command and Staff Col-
lege, Maxwell AFB, Alabama. Af-
ter graduation from the school he
was ordered to the Far East. In
addition to service in the Pacific,
Major Hamilton served six months
in Alaska during 1947 and 1948.
Among his awards other than rou-
tine decorations are the Air Medal
with three oak leaf clusters and
the Southwest Pacific Ribbon with
five battle stars.

Commissioned on May 28, 1943,
at Columbus, Miss., Major Hamil-
ton is now rated a Senior Pilot.
He entered flight training short-
ly after his student days. In 1937,
he was graduated from Austin
High School, Austin, Texas. Later
he pursued his higher education
at Tarleton State College and the
University of Texas.

Major Hamilton's parents, Mr.
and Mrs. J. Hiram Hamilton, re-
side at 1211 East 2nd Street, Aus-
tin, Texas. His wife, Mrs. Nell
Vaughan Hamilton, and two daugh-
ters, Faye Ann, 9, and Martha,
7, are living at 1109 Alameda
Drive, Austin. Mrs. Hamilton is
the daughter of Mr. and Mrs. Will
Vaughan of Cameron, Texas.

Rockdale Votes For Bond Issue Saturday

Approval was given for \$290-
000 in bonds for street improve-
ments, water and sewer extensions
and a swimming pool in an election
Saturday. There were only 192
ballots cast. Rains and threaten-
ing clouds kept many away. Rock-
dale's poll list in ordinary elec-
tions runs around 600.

Now that approval of the bonds
has been given, Rockdale will get
\$205,000 from the federal govern-
ment and a gift of up to \$40,000
in cash or half the cost of the
swimming pool from the Aluminum
Company of America. There will
be no increase in the city taxes
for this improvement.

Two Cars Demolished in Head-On On Highway 190 Thursday Night

Three persons were injured Thursday night in a head-on collision on U. S. Highway 190, approximately 1 mile from the city limits of Cameron. The accident occurred at 7:00 p. m. Injured were Mrs. Ozelle Davis, 33, 1606 North 22nd, Killeen; Raymond E. Lorenz, 23, Rt. 2, Rosebud; and John Wilkinson, 23, Eddy. Wilkinson was a passenger in the Lorenz car.

According to Highway Patrolman, John Blansit, Mrs. Davis, who was driving a 1952 Cadillac going west, was attempting to pass a trailer truck. Seeing that she could not make it, Mrs. Davis cut sharply to the left. Lorenz was driving a 1947 Plymouth going east. He saw the approaching headlights and whipped his car to the right. This caused both cars to collide head-on on the south side of the pavement.

The occupants of the cars were taken to a local hospital where they were treated for bruises and facial abrasions and cuts. Wilkinson also suffered a broken leg and a neck injury. He has been taken to Santa Fe Hospital in Temple and the others were still hospitalized Friday.

March 20 And 21 Set For School Teachers To Meet In Austin

Approximately 2,000 school teachers from 16 Central Texas counties including several from Milam county, are expected to attend the annual spring meeting of District X of the Texas State Teachers Association in Austin Friday and Saturday, March 20-21.

Program theme for the meeting is "The Future of Education is Forward." Featured speaker will be Dr. Lillian Gilbreth, consultant in business management and specialist in the field of personal problems in industrial and business relations. She is also famous as the mother-heroine in the book, "Cheaper by the Dozen."

R. L. Proffer, president of the Texas State Teachers Association, will lead a panel discussion on "Legislation for Better Schools." Members of the panel will be members of the State Legislature.

H. C. Allen, principal of Corsicana Junior High School, is District X president. Mrs. Gertie Hay, Austin classroom teacher, is vice-president.

Counties comprising the membership of TSTA District X are Bastrop, Bell, Bosque, Coryell, Falls, Freestone, Hamilton, Hill, Lampasas, Limestone, McLennan, Miam, Navarro, Robertson, Travis and Williamson.

Mrs. Frank Meek, Sr. of Rural Route 1 visited friends in Cameron Wednesday.

TEXAN PARADE

By ROSS PHARES

The INDIAN Was Physically Inferior to the White Man. The American Indian has been pictured generally as a combination Adonis and Hercules, an alert muscle creature extraordinary. Actually, the white man was his superior, even on the Indian's own ground.

Colonel Richard I. Dodge, who spent many years among the Indians, wrote in his book, "Our Frontier Indians." "With all his (the Indian's) power of endurance, his lie in the open, and his constant and violent exercise, the Indian is not physically a powerful man. . . . The boys wrestle a good deal, but without rule of science, a mere scuffle. An average white man will 'get away' with the strongest and most active Indian, either in a wrestling match, or in a foot-race for a short distance. In a race for miles against any ordinary white man, but no Indian, in his natural condition, could compete with one of our trained 'go-as-you-please' racers."

Wallace and Adamson, in a recent comprehensive book, "The Comanches," point out that among the Comanches, one of the most rugged and powerful of the tribes, "The number with weak eyes, partially or completely blind, was appalling." The Indians had trained eyes, and they made the most of them in outdoor use; but research indicates that the "sharp" eye of the Indian has been greatly sharpened by fiction writers and reports of careless whites who didn't look very carefully "where they were going." When the Indians were moved onto the reservations many of them secured spectacles.

The birth rate, according to the best reports, seems not to have averaged more than two children to each woman. Many women were barren. Babies were born very small. Infant mortality rate was high.

A great deal has been made of the reports of trappers and agents to the effect that no insanity, epilepsy, or deformities were found among the Indians. It is generally believed that this condition was created by means of infanticide.

Much has been said of the mental stability of the Indian, that suicide in the tribes was practically unknown. This hardly proves that the Indian was a better specimen emotionally. We don't know how he might have reacted to income taxes, government reports, regulated industries, and tedious divorce laws.

Of course, there is the argument that the white man had better medical care. But on this score, the margin of advantage may not have been as great as generally thought. For we recall that the white doctors who made fun of the Indian's silly practice of sweating and taking changes of extreme temperatures, bled their weakened and diseased patients to "cure" them.

Those beautiful slim maidens of the laughing waters were mainly story book characters. Following the hunt, skinning buffaloes, grinding the corn, never outdid a soft couch and a servant for keeping the body beautiful. Indian women aged and fattened quickly. Even if Minnie Ha-Ha could swim in the laughing waters every day the exercise didn't produce a figure like Esther Williams! The tall, lithe brave was neither as tall nor lithe as the story books tell. As a rule, he tended toward dumpiness. He was no more erect than the whites, and on the average was not as tall.

The rugged, outdoor life may be great. But the story of the Indian indicates that it is not the complete answer for becoming an Atlas or a Miss America.

Retirement Rolls Increase: There were 147,037 service persons on the various retired lists December 31, 1952. Current increases amount to approximately 1,000 each month. Estimates are that by the end of June, the retired population of all services will total about 154,177.

Farm Bureau Head Blasts House Bill 388 Introduced by J. Yancy

(By Dennis Klein)
Every tractor farmer in Milam county will lose one-fourth of his refund on non-highway gasoline tax if House Bill 388 is passed by the State Legislature, according to Dennis Klein, president of the Milam County Farm Bureau.

Rep. James W. Yancy of Houston introduced the bill which would take away one cent of the four-cent a gallon refund and allocate it to the available school fund, the county farm leader said.

"What the proponents of this bill forget is that the so-called tractor gas refund is not actually a refund since the money never belongs to the state. The tax is collected just as on all gasoline, sent to Austin and then returned to the rightful owner," Klein added.

The Farm Bureau leader said that the backers of the Yancy bill were apparently using the strategy of calling attention to the needs of the public schools and then pointing to the refund money as a likely source of revenue. He added that this would make the bill more difficult to defeat because the demand for a teachers pay raise has touched off the hottest issue of this 53rd legislative session.

"The farmers pay their fair share of school taxes right along with everyone else in the school districts, and it isn't right for an additional burden to be placed upon them," Klein said.

The head of the county farm organization said that if one-fourth of the refund were lost now, it might mean that the entire refund eventually might be abolished. He urged all farmers in the county to get in contact with their representatives in the state capitol and inform them of their desires and wishes on the refund issue.

During the last legislative session—two years ago—the Texas Farm Bureau was instrumental in saving the tractor gas refund, the county road bond assumption monies, and the rural road program. Before the session was over, the farmers and ranchers of the state had also pushed through a tax on natural gas which is still being fought in the courts.

Local National Guard Unit To Hold Second Week End Training Period

(By Lloyd Albertson)
Battery C, 649th Anti-aircraft Artillery Battalion, the local National Guard unit, will hold the second of its weekend training periods on Sunday, March 22, and Capt. James T. Terry, its commanding officer, has announced that the public is invited to visit the Armory and watch the training and inspect the unit's equipment.

The drill will run from 8 a. m. until 4 p. m.

Sunday's schedule calls for the gun crews of the 40 mm and 50 cal. machine guns to engage in tracking practice and simulated fire on moving ground and aerial targets. In the morning the gun crews will concentrate on tracking mechanized ground targets such as trucks, tanks and other supposed enemy vehicles. Gun positions will be set up along the Temple highway near the Armory. The afternoon session will deal with tracking and simulated fire at airplanes, and it is expected that the Guardsmen will move guns and equipment out to Cameron's municipal airport and engage in tracking practice on planes flying over the field.

Capt. Terry stated that the public is invited to come and see the training at either location and learn how an anti-aircraft battery operates under conditions similar to those in actual combat against an enemy.

Texas Manufacturers To Be Organized In Temple March 25

March 18, 1953
A regional chapter of the Texas Manufacturers Association will be organized in Temple on March 25, 1953, Arthur Brashear Jr., regional director of the Texas Manufacturer's Association in Temple, said this week.

Mr. Brashear said that the organizational meeting will be held in the Chamber of Commerce offices, Municipal Building at 10 a. m. and this area will be composed of manufacturers of Coryell, Bell, Milam and Falls counties.

The Texas Manufacturers Association is set for the purpose of keeping and maintaining a better atmosphere for business, particularly manufacturing industries within the State of Texas. It has a membership of 3300 different or-

Sgt. Nelson G. Hurd Participated In Atomic Maneuver In Nevada

Sgt. Nelson G. Hurd, whose wife, Ceola, lives at 507 Scott St., Cameron, was one of the specially assigned Army men who participated March 17 in the Atomic maneuver at Camp Desert Rock, Nev.

He occupied a forward foxhole during the atomic blast and immediately after the blast charged forward in skirmishes to mop up an imaginary enemy theoretically weakened by the A-bomb blast.

Exercise Desert Rock V was a sequel to battalion combat team exercises conducted by the Army and the Atomic Energy Commission at the desert site last spring, and is a key part of the Army's training program.

Sgt. Hurd is a member of the Sixth Army operational staff for Desert Rock, where he also assists other troops from all over the country who come to the Mojave Desert for this special combat training.

Hurd, who re-entered the Army last July, is first sergeant of Detachment C of the 505th Military Police Battalion at Camp Desert Rock.

Holder of the Bronze Star Medal and the Purple Heart, he served in Japan with the occupation forces and in the Korean conflict. He is the son of Mrs. Nellie K. Hurd, father deceased, of 3801 La. kin Ave., Great Bend, Kansas.

Mr. Brashear has extended an invitation to any industry in this area to attend the meeting and observe what the association proposes to carry out in their chapter.

Mrs. Arlege Resigns As Superintendent Of Buckholts School

On Friday night, March 13, 1953, at a regular meeting of the Buckholts High School Board of Education, Mrs. Ruby Arlege tendered the board her resignation as superintendent of the Buckholts schools effective at the close of this year's school.

Mrs. Arlege has been in the Buckholts system for 16 years and has been superintendent for seven years. It was with reluctance that the board accepted her resignation.

Mrs. Arlege's work at Buckholts has been marked through the years by a fine spirit of progress and achievements. In the seven years she has been superintendent the school has established one of the nicest lunch rooms in the county, a fine completely equipped Homemaking department, a fine Agr. (Vocational Department), a lighted football field, a beautiful gymnasium and new classrooms. A fine water system and complete sewer system. Buckholts is now classified by the Texas Education Agency as a 4-year High School of the first class.

Mrs. Arlege very modestly gives credit to always having a fine school board, an efficient and co-operative faculty, and a supporting community for all the things she has achieved. Mrs. Arlege's plans for the future are not complete but she may remain with the Buckholts schools in some other capacity than superintendent.

LUNCHROOM MENU

MONDAY—Butter beans, tart carrot salad, green beans, milk, cornbread, peanut butter cookies.

TUESDAY—Chili and beans, sour slaw, scalloped tomatoes with cheese, lightbread, milk, grapefruit sections.

WEDNESDAY—Macaroni with pimiento and cheese, boiled cabbage, pickled beets, lightbread, milk, peanut butter cookies.

THURSDAY—Creamed turkey on rice, cabbage, carrots, grapefruit salad, milk, hot rolls, butter, honey.
